Alice and Jake
Once upon a time, there was a girl named Alice and her little brother Jack. They just lived with their dad. On a day in February their Dad died.
The volcano they had in their country was about to erupt! Alice and Jack went to the volcano and the volcano said “I will help you find your Mom and Dad if you can find the letter hidden in my hot lava”.
Alice and Jack found the letter!
On the way they saw two stretchy, stretchy harts. The harts said “If you put us in water we will turn into a Mom and Dad”. So Alice and Jack took the hart’s home and they lived happily ever after.

The End.
