The Talking Pictures

by Sydney Kim
Travelina always wanted to travel. But she did not have legs so she could not travel. She was very sad.
One day her mom and dad wanted to make her happy. They put pictures from all around the world in her room.
One night she heard the sound of the ocean wave and the seagull. Woosh! Splash! Aw wk! The wave and the seagull started to talk. Would you like to go on a trip with us? She said, yes! She swam with the fish. She flew with the seagull and touched the fluffy clouds.
The next night the moon and the stars took her on another trip. She sat on the moon singing with the stars.
The next morning she woke up happy and hugged her mom and dad. She said, "I took two trips! Thank you for putting the pictures up. I love you."

Then she had a fun trip every night. The end.
