Fly School

Welcome to Fly School!

Fly School is in the garbage dump.

It is in an old washing machine.
These are the Fly School rules:

1. Stay in your class.

2. Every fly plays!
3. No buzzing in school.

4. Stay in your seat.
These are the things every fly needs to learn:

Fly a loop-de-loop.

Look out for fly traps.
And the most important rule of all...

Get into a house!
