Once upon a time there was a little dinosaur and his name was Alex.

One day, Alex’s mom took him to the museum. While at the museum Alex’s mom needed to use the bathroom. She told Alex to stay put while she went to the bathroom but Alex didn’t listen.

Instead Alex went off and saw the whole museum by himself. When Alex was finished he was tired and wanted to go home but he did not know where his mom was.

Alex went back to the bathroom where his mom was but she was not there. Alex then went back to the exhibits that he saw to look for his mom but she wasn’t at any of those places either.

Alex then went to the parking lot to look for his mom but there were no cars.

When Alex went back to the museum the manager was there. Alex was crying and said, “Help me, I’m lost!” “My mom is nowhere to be found.” At that moment the manager turned around, took off his hat and Alex realized it was his dad!

Alex was happy to be with a parent after all. Alex went home with his dad where his mom was waiting for him. Alex was happy and promised to listen and not wonder off by himself again.
