Shark Cove
Once there was a boy named Daniel who wanted to go to Shark Cove were all the sharks live.
Daniel went to shark cove but the sharks were guarding the entrance of the cave.
Daniel did not give up and went back to shark cove when the sharks were hunting. Suddenly, Daniel saw the sharks coming back fast and swam back to the surface.
Daniel did not want to give up and went back to shark cove with a spear to scare the sharks away.
Daniel went back to shark cove for the last time but he had an idea. He would dress up like a shark to get into shark cove. He tried his plan and it worked! So now Daniel can go to shark cove without being noticed as a human.
